Old Business

New Business

Fran has had a request for different sized range baskets. The Committee discusses range baskets. No action is taken.

Betty has an agenda item for the next meeting. She would like the Committee to review Beaver Meadow's relationship with the NHWGA, specifically our decision to not host a NHWGA golf event.

Ed and Sid tell the Committee Beaver Meadow will host the Women's A-group next June.

Betty withdraws her Agenda Item.

Rates

Tinker asks Staff when rates are due for Council. Phil explains the process of submitting a report to Council for action, and the possible actions Council could take.

Tinker suggests the Committee next meet in January unless further action on Rates or other issues arise.

The Committee and Staff discuss rates recommended by staff.

Tinker excuses himself from the meeting and turns the gavel over to Betty.

The Committee continues to discuss rates.

Points discussed include

Rate Growth over time, Betty shares data showing our rate growth has been consistent across most categories.

Beaver Meadow Rates compared to market.

The RFP for a new Golf Car fleet

Junior Rates

Betty moves that the Committee ask the Golf Course Manager and Golf Pro to create a “Super Junior” special for golfers twelve and under to help introduce younger golfers to Golf at lower cost. The Special would require the “Super Junior” to play with a paying adult.
